

Assistive Technology Device/Equipment Loan Form

The Library's Assistive Technologies Services provide **Library-use only** loans of devices/equipment for patrons with disabilities. The device/equipment loan program is for adults and children of all ages. Parents or guardians can borrow equipment on behalf of individuals with disabilities to try out the equipment or to use the device while inside the Library for research, study and reading.

The borrower agrees to comply with the following agreements and procedures:

- Borrower/parent/guardian must be responsible for the prompt return of the device/equipment in good condition to Library staff after use.
- Borrower/parent/guardian must use the equipment prudently and take reasonable care to protect it from loss or damage.
- The device/equipment is for use by people with disabilities only and should not be shared with or loaned to others.
- Borrower/parent/guardian will immediately notify Library staff in the event that the device/equipment is lost, damaged or malfunctioning.
- Borrower/parent/guardian is financially responsible in the event that the device/equipment is damaged, lost or not returned on the same day.
